

If you would like to pre-pay on your account please print and complete the vouchers below & mail to  
**PO Box 191 Mayfield, NY 12117.**

You can prepay a lump sum for the season, or you can send extra monthly payments in the amount of your choice during the months May - August to help cover the cost during winter months.

If you wish to pre-pay by check rather than keep an ACH on file you must send in a check each separate month as we can not accept post-dated checks.

If you wish to have us charge your credit card or ACH monthly you will need to use the 'Recurring Monthly Payment Request' form instead of this voucher.

If the credit on account is used, you will be responsible for the remaining balance on delivery. Thank you!
